

**Lieutenant Colonel (LTC) Delisa L. Hernandez**  
**Product Manager, PM AcqBusiness**  
**Program Executive Office, Enterprise Information Systems**

LTC Hernandez leads a team of contractor and government staff members involved in delivering Information Technology products and services to all levels of the Army Acquisition domain. PM AcqBusiness provides an enterprise business environment that leverages commercially available solutions and authoritative acquisition data. PM AcqBusiness empowers users in the Army Acquisition community with effective decision-making through a portfolio of business systems and web services. Offering capable and affordable information technologies, PM AcqBusiness deploys systems to enhance visibility into the health and status of enterprise portfolios and programs under the Assistant Secretary of the Army for Acquisition, Logistics and Technology.

In 1993, LTC Hernandez graduated cum laude with a Bachelor of Science degree in Electrical Engineering from Prairie View A&M University, Prairie View, Texas. As a Distinguished Military Graduate, she earned a Regular Army commission as a Second Lieutenant in the Signal Corps. In 2001, she earned a Master of Education degree in Statistics from Rutgers University, New Brunswick, New Jersey.

Her military education includes the Signal Officer Basic Course, Signal Officer Advance Course, Combined Arms Service and Staff School, Acquisition Basic Course, and Command and General Staff College.

LTC Hernandez' awards and decorations include the Defense Meritorious Service Medal, Meritorious Service Medal with four oak leaf clusters, Army Commendation Medal with two oak leaf clusters, U.S. Army Achievement Medal, Joint Meritorious Unit Award, National Defense Service Medal with one oak leaf cluster, Iraq Campaign Medal, Global War on Terrorism Service Medal, Korea Defense Service Medal, Humanitarian Service Medal, U.S. Army Service Ribbon, and the Overseas Service Ribbon. She is a member of the Army Acquisition Corps and holds Defense Acquisition Workforce Improvement Act (DAWIA) Level III certification in Program Management and Level II certification in Science and Technology Management.
