

## **MS. LAREINA ADAMS**

Product Manager,  
Acquisition Management Support Solutions  
(PM AMS2)

Ms. Lareina Adams became the Product Leader, AcqBusiness for Program Executive Office, Enterprise Information Systems at Fort Belvoir, Virginia in June 2017. In this position, she is responsible for leading the acquisition and management of the AcqBusiness program, which is the Army Acquisition community's capability for providing senior leader visibility across the acquisition enterprise with actionable information on the performance of the Army's investment portfolio.

Ms. Adams has supported PM AcqBusiness since 2008. Prior to her current position, Ms. Adams served as the Deputy Product Manager for AcqBusiness. Her other assignments include the U.S. Army Communications-Electronics Command Software Engineering Center at Fort Belvoir, the Defense Information Systems Agency Global Information Grid Operations Directorate and the U.S. Army Information Systems Engineering Command.

Ms. Adams is a 2017 graduate of the Defense Acquisition University Senior Service College Fellowship. She has received several awards during her civilian career, including the Achievement Medal for Civilian Service and the Commander's Award for Civilian Service. She holds a Master of Science Degree in Electrical Engineering from Virginia Polytechnic Institute, is a member of the Army Acquisition Corps and is Level III Certified in Program Management and Systems Planning, Research, Development and Engineering.
