

# Project Management Office Support (PMOS) Information Exchange

Mr. Edward Quick  
Deputy PM, DoD Biometrics

30 JULY 2013

# PMOS Agenda

- **PMOS Overview** – Mr. Edward Quick, Deputy Project Manager
  - Capabilities
  - Possible Opportunities

# PMOS Capabilities

- The PMOS effort requires project management and engineering support for PM DoD Biometrics Headquarters, PM Biometric Enabling Capabilities (BEC), and PM Joint Personnel Identification (JPI).
- Project management support may include, but is not limited to, project operations, business management, strategic planning and analysis, administration, acquisition management, logistics management, budget, cost, and scheduling.
- Engineering support may include, but is not limited to, systems engineering, information assurance, software engineering, test and evaluation, enterprise architecture, data management, and configuration management.

# Possible Opportunities

- Monitor FedBizOpps for future announcements concerning PMOS.

**Thank you!**

**We look forward to addressing your questions  
during this afternoon's panel sessions**
