

Mr. Ralph Ocasio
Product Lead, Reserve Component Automation Systems
Program Executive Office, Enterprise Information Systems

Mr. Ocasio was appointed the Project Director for the Reserve Component Automation Systems (RCAS), under the Program Executive Office, Enterprise Information Systems (PEO-EIS) in June 2012. As the Project Director, Mr. Ocasio is responsible for the development and deployment of information technology solutions that support the training, administration, and mobilization of the Army's Reserve Component.

Mr. Ocasio's US Army career spans over 25 years, with service both in uniform and as a DoD civilian. Mr. Ocasio entered the US Army in 1981 and served ten years of active service as a Logistician, ultimately receiving an Honorable Discharge in 1990. He entered into the Army Reserve serving in various positions retiring as a First Sergeant in January 2004.

As a DoD civilian Mr. Ocasio served as a Combat Developer for the Combined Arms Support Command (CASCOM), the Deputy Director for Integrated Logistics Support and Fielding for the Program Management Office for Transportation Information Systems (PM TIS); the Chief of Operations for the Product Manager Joint-Automatic Identification Technology (PM J-AIT) under the PEO EIS; and as Acquisition Analyst with the Program Management Directorate, PEO EIS where he oversaw numerous acquisition programs. Mr. Ocasio also served as the Deputy Product Director for RCAS from March 2010 to May 2012.

Mr. Ocasio is a recipient of The Department of the Army Achievement Medal for Civilian Service and The Commanders Award for Civilian Service (3). His military decorations include the Meritorious Service Medal, Army Commendation Medal (4th Oak Leaf Cluster), and the Army Achievement Medal.

Mr. Ocasio holds a Bachelor's Degree in Business Management and a Master's Degree in Program Management from the Naval Post Graduate School. He is a member of the Army Acquisition Corps, is Level III certified in Program Management and Life Cycle Logistics.
