

Mr. Sajjan (Saj) M. George
Acting Product Lead, Reserve Component Automation Systems
Program Executive Office, Enterprise Information Systems

Mr. Sajjan (Saj) M. George was appointed the Deputy Project Director (PD) for the Reserve Component Automation Systems (RCAS), under the Program Executive Office, Enterprise Information Systems (PEO EIS) in December 2014 and in January 2016 he assumed the position of Acting Product Lead.

Mr. George has over 23 years of experience in the Military as a Service Member and a DOD Civilian with key assignments ranging from Deputy Director of Sustainment Directorate at General Funds Enterprise Business System (GFEBs), Deputy CIO/G6 of the Army National Guard (ARNG) Headquarters, Branch Chief of Information Technology Program Management and Program Objective Memorandum (POM) Development Officer for the ARNG G6. His first assignment in the Acquisition field was as a Budget and Fielding officer with Distributive Training Technology Project (DTTP), part of RCAS.

Mr. George completed Initial Entry Training in 1992, served as an enlisted Soldier and was honorably discharged as a Sergeant in the Army National Guard before accepting a commission as an Officer in October 1995. He served one combat tour in Iraq as the Deputy of the Joint Acquisition Review Board and the Multi-National Corps Budget Execution Office. Mr. George led and supervised personnel at Team, Branch and Directorate Level, coordinated work flows, ensured successful project closures and worked closely with senior-level leadership on long-term strategic planning. Mr. George retired as a Lieutenant Colonel with 22 years of dedicated service in Uniform before joining the Army civilian ranks in December 2014.

Mr. George's military awards include the Legion of Merit, Defense Meritorious Service Medal, Meritorious Service Medal (3rd OLC), Army Commendation Medal and the Army Achievement Medal.

Mr. George holds a Bachelors of Engineering in Electronics and Communication, and a Masters of Business Administration in Finance. He also holds Federal Chief Information Officer (CIO) and Chief Financial Officer (CFO) Leadership Certificates, and the Army Cost Management Certificate. He is a member of the Army Acquisition Corps and Level III certified in Program Management. His non-duty hours and weekends are dedicated to voluntary service with Hope Network, a non-profit organization whose primary mission is to support veterans in getting training in information technology. He loves traveling and learning about other cultures.
